Dear Mr. Ryan:

This miscellaneous filing is in response to your letter dated October 7, 2005. The International Franchise Association Franchising Political Action Committee engaged a professional services firm to provide compliance and reporting assistance in early 2005. An audit by that firm revealed several transactions that had inadvertently not been reported due to clerical error. The amended report now reflects accurately activity during the period, and future reporting will continue to report all transactions on a timely basis. Please let me know if you have additional questions.

Sincerely,

Wade S. Williams
Treasurer
